**A Final Note:**

Thank you to all of our contestants and judges for being gracious, generous, and flexible. This was our first time hosting/sponsoring these events, and that added an element of surprise.

Some of you grew extensive facial hair for the first time. Lots of you itched. For months.

Others spent hours over a hot stove or a kitchen counter, decorating cupcakes, mixing fudge, and all together exceeding our expectations. Maybe you remembered people you love along the way.

Together, you made history in Sunbury, Ohio.

We are grateful to every contestant who participated in the Sunbury Village tradition of beard contests, and we look forward to the next Beard and Mustache Championship at Sunbury's 225th.

We are further delighted to add a new tradition on Sunbury's 200th with The Sunbury Christmas and Cookie Contest. Thank you to all of our initial contestants. Your recipes and photos will be documented for future generations, and we look forward to our 2nd annual contest in 2017.

These are the moments that make a Village.  
Shared memories, simple pleasures, and coming together at the holidays.

**Thank you to all from Forman Realtors.**  
*We are blessed to have spent 50 years in such a wonderful place.*
